BACKING A FUTURE CHAMPION

2026 Sponsorship Opportunities

The Rising Star of JuniorGP

A Defining Moment in the Journey

Joshua is entering a critical stage in his racing career — where the right backing transforms potential into opportunity.

Joshua’s Story

Joshua is a 17-year-old rider competing in the JuniorGP series — the official pathway to MotoGP and one of the most competitive development platforms in the world.

His selection for the Red Bull Rookies Cup tryouts, a program limited to just 120 riders globally, highlights his level and potential within international motorsport.

Joshua represents more than emerging talent — he represents the future of the sport. With consistent progression, strong work ethic, and the right support, he is building toward competing at the highest level.

Supporting Joshua at this stage is not just sponsorship — it is early alignment with a rider on a clear trajectory toward international competition.
